**Steak House Continues Top In Bowling**

The fifth week in the Thursday night 825 Scratch league at the Torrance Bowling Academy found things more or less normal and the scores were not as high as in the previous weeks. With the exception of one or two teams, the standings did not change.

The league leading Steak House five, featuring Wallace's 222-566 series, defeated the Army hospital by a 2 to 1 margin. Sgt. Alexander was high for the losers with 538.

By winning 2 out of 3 from Felker, the Acme Beer team jumped into a tie for third place. With 199-560, Rowe was high for the Beer boys while Johnnie Clark had 194-551 for the tallenders.

Joe's Oilers came out of somewhat a slump to nab 2 out of 3 from Schwartz Clothiers, losing the last game by one pin, 806-805. Tony Torres led the Oilers with 587. Palmer was high for the Clothiers with 534.

Deans Service poured it on the Doak Aircrafters and came out with all three games. High for the night, Luse led his team with a 609 series and his team mate, Hergenrother, had high game of 235. A 546 series made McCrindle high for Doak.

High averages in the league are shared by Clark and Coast, each with 182.

Tonight Acme meets Doak, Schwartz takes on Army, Felker bowls Deans Service and Joe's Oilers the Steak House.

**Safety Shoe Production Is Increased**

Production of steel-toed "safety shoes" now is sufficient to classify women's protective occupational shoes except those in stock made with plastic or fibre box toes as not being "safety shoes," according to Frank Daniels, Torrance Ration Board's chief clerk.

Since sufficient quantities of regular steel-toed shoes has come into the market the Office of Price Administration announced that hereafter the plastic or fibre box toes will not be considered "safety" shoes and sold in exchange for special "safety shoe" stamps, he said.

No time limit is set within which dealers may dispose of such shoes now in stock or in transit from factories. However, women's plastic and fibre box toe safety shoes shipping from the factory after May 15 must be marked with the date of shipment, which will signify that they may not be sold as "safety shoes" under rationing regulations.

**National Takes Tournament by Beating Doak**

Four strikes in the last frame provided the winning margin for National Supply over Doak Aircraft in the national scratch bowling tournament sponsored by Consolidated Vulke Aircraft Corporation. Bowling on the Torrance alleys on May 20, the local quintet chalked up a total pin mark of 2,598 for three games, while the Doak five totaled 2,543, just 55 pins difference.

Top bowler of the evening was Supper Johnny Rowe whose games of 213, 207 and 181 gave him a 601 series. Bill Burgener's 541 and Jerry Davis' 537 series gave them totals which bettered the highest bowler on the opposing team. Mildard Thorpe and Bob Garbe also aided the Supplier cause in the set-to.

Garland Moody of Doak bowled 536 for three games to take the high series for his team. Hot on his heels were Aircrafter Harry Payne and James Weems with 528 and 525 scores respectively. Payne's single game of 224 was tops for the evening. Charles MacCrindle and Bill Bishop rounded out the Doak team.

Team scores were: National, 902, 799 and 897; Doak, 818, 899 and 826. All the keggers agreed that the match provided close competition and good recreation and many believed a return match should be held in the near future.

Results of the complete tournament will be released as soon as the sponsor completes the nationwide results.

**Torrance Archery Fans Organize Group Here**

The Torrance Archers is the name officially chosen by the local group of enthusiasts that met at the city hall Monday night, May 22, for the purpose of launching their organization and conducting the necessary routine business.

About 15 persons were present, 12 of whom subscribed to the enrollment fee and list as the charter members.

Ralph Montague, well known local archer, was elected president, with Albert Mitchell, comparative newcomer but well known for his interest in the sport, as vice president.

Mrs. Dora Hill, Redondo Beach, will fill the offices of secretary and treasurer. She is an ardent devotee and was for several years affiliated with the now defunct Redondo Beach Archery Club. Her experience and thorough knowledge of the sport tends to add to her value for the office, as well as an aid to those less informed in the use of archery tackle.

Permission has been granted by the school for the use of the high school grounds, which are exceptionally adapted for both old and new archers.

The third Sunday of each month was chosen for the monthly club shoot and invitations are extended to all local and visiting archers to attend.

The next regular meeting is scheduled to be held at the city hall, court room, Monday, June 5, at 8:00 p.m.

**Special Service Whitsunday at Episcopal Church**

St. Andrew's Church will conduct special services on Sunday, May 28, which is Whitsunday, the birthday of the Christian Church, according to the Rev. Emil Moore Wheeler, rector. Holy Communion will be celebrated at 8 a.m. and 11 a.m. The church school junior choir will sing at the 9:30 a.m. church school service. The senior choir will present special music at the 11 o'clock service. Parents, children as well as all baptized adults will attend in a body.

Members of St. Cecilia's Guild and the Gardena Episcopal Guild and Women's Auxiliary will present their United Thank Offering at the 11 o'clock service. The rector will preach the sermon.
